

# Corporate communication has never been so simple.

Affordable webcasting is now available!

## LIVE WEBCASTING

Live broadcasts via the Internet are a cost-effective, convenient way to communicate.

We use professional-grade Panasonic HVX200 high-definition cameras.

\* 2 Hour Minimum

\$225/hr\*

\$375/hr\*

\$575/hr\*

All package prices include set-up, testing and tear down the day of the event, as well as all primary and secondary equipment plus cables necessary to stream video and audio to the Internet.

## REQUIREMENTS

- High Speed Internet Access (T1 or greater preferred)
- Must be within 200 Feet of Internet Access
- Electricity (120v AC)
- Streaming Media Server \*\*

## HAVE SPECIAL NEEDS?

Interested in adding more cameras, animation, PowerPoint presentations, or advanced lighting? We can develop a solution that will meet your needs. Contact us to discuss the possibilities.

## PLEASE NOTE

\*\* This service requires a steaming media server. If you have no such server of your own, packages are available with additional fees. Credit card required for set-up. Ask us for details.
